

To Whom It May Concern:

It is my pleasure to recommend the services of Apolon Construction.

We have used Apolon Construction since the beginning of 2017 and have always been completely satisfied with their performance. Apolon was a top performing contractor that we used to renovate roughly 300 apartments throughout our 36 story high-rise building. Scope of work has included but not limited to painting, kitchen renovations, bathroom renovations, masonry work, and many other projects.

Mr. Erion Hasko is an excellent resource who always returns the phone call and is easy to get in contact with. On many occasions, Mr. Hasko has recommended more cost-efficient options to solve issues that we were having. On the rare occasion that we need them to come back for minor issues, they will always return to make sure we are fully satisfied.

I am happy to recommend Apolon Construction. If you have any questions, please feel free to contact me.
