To Whom it May Concern,

Apolon Construction has been doing work for the Trump Organization and Trump World Tower for over seven years. Projects have ranged from small paint jobs to \$1mm plus design build apartment renovations and public hallway renovations. There work has always been top notch and what people expect when living in a Trump building. We are constantly receiving compliments and great feedback from residents on Apolon's quality workmanship and amazing design abilities. We highly recommend Apolon Construction and Erion Hasko for any projects you may have. If you have any questions, please call me at (646) 313-7614.

Sincerely,
