To Whom It May Concern,

It is my pleasure to write this letter of recommendation on behalf of Erion Hasko and Apolon Construction Group.

It has been a positive experience working with Apolon Construction Group on multiple projects, spanning from maintenance calls to high-end end renovations. As a Senior Property Manager at Dixon Leasing, which is one of the largest leasing companies in metropolitan New York—one of my responsibilities is to oversee and direct a large volume of activity involving repairs and large-scale renovations. Apolon Construction Group has been one of our most exceptional vendors. They have successfully managed to gain the trust of or entire team, due to their ability to handle large volume of projects and skillful team.

Our organization highly values reliability in our search for vendors. Most vendors come-and-go due to lack of management, organization, and consistency. These three fundamental inputs have been Apolon's most valuable asset. Their ability to maintain high standards remains our most notable criteria in elevating our vendors into higher levels of our corporate system.

If you have any questions, please feel free to contact me.

Best,
