

Letter of Reference – Apolon Construction Group
July 19, 2019

It is with pleasure that I recommend Erion and Nick Apolon of Apolon Construction Group for all Construction projects. I have done several projects with them, large and small, and have been incredibly pleased with each one.

Their professionalism, honesty, timeliness and reliability make them stand out. I have moved many times and done several construction projects in the past years and none of the contractors have been as organized and trustworthy as Apolon. Everyone who works on their team is highly skilled, respectful, keeps our home tidy and takes great pride in their work. They go above and beyond to make sure our home looks its best, including suggestions and improvements that are thoughtful and very helpful in the end. I trust them completely, often leaving them to do the projects while I am traveling.

Their proposals, availability for discussion, attention to detail and focus on each project are exceptional and better than anyone else we have worked with in the past.

Please feel free to contact me for any questions as needed regarding our experience with Apolon.

Sincerely,

Beth Levine
